**Order #: Various**  
**Type: Protective Covers**

## “H” Dollies

#### H Dolly

So named because it looks kinda like an “H.” This is one tough dolly. Made of 4/4 hardwood and reinforced with two layers where the casters are bolted on, this dolly can handle loads up to 1200 lbs! Slippage is a common problem with dollies, but not with these. The dual rubber strips along each side (not just on the end caps) give 67% more gripping surface. The 4” polyurethane non-marking casters are the best in the industry. This dolly glides effortlessly across the floor!

**Price: \$56.00**  
**Order #: FD4028**  
**Type: H Dolly**

#### Rubber Cap Dolly

This is your standard rubber cap dolly, made of 3/4 in. hardwood, with rubber end caps. Another staple of the industry. We've upgraded this dolly however to 4" casters for easy rolling. 900 lb capacity. A GREAT VALUE!

**Price: \$39.95**  
**Order #: ED27-18304HR**  
**Type: Rubber Cap Dolly**

**NEED REPLACEMENT CASTERS?** Don't throw that equipment out!! We are the largest stocking distributor of casters and wheels in the state! **CALL FOR DETAILS** (We're the experts)
