## VENDING MACHINE MOBILITY SOLUTION

- Popularity Same casters used by Coke<sup>®</sup> and Pepsi<sup>®</sup>
- Heavy Duty Wheels As strong as cast iron, Polyolefin Wheel supports the heaviest vendors without flat spotting
- Compatible with all major brands Available in 1/2" and 5/8" stem sizes, NO modification to the vendor is necessary
- Lockable Thumb-screw lock can be tightened to keep machine from being moved without tools.
- Availability Both sizes in stock in quantity
- Adaptability Works on many kinds of heavy machinery
